**FULL INFO**

Black River Delta is blues-rock band originating from Bollnäs, Sweden. The foursome have released three studio albums – Devil on the Loose (2016), Vol. II (2018), and Shakin' (2021).

The band's gritty blues-rock sound draws from classic blues legends like Robert Johnson, the raw style of R. L. Burnside and modern artists as The Black Keys, Gary Clark Jr. and Black Rebel Motorcycle Club.

Their ability to combine age-old blues with modern rock has taking them on several tours across Europe and North America, and has caught the attention of artists like blues legend Joe Bonamassa, calling Vol. II one of the best albums of 2018 and even inviting the band to perform on his annual cruise festival.

Black River Delta's new album Shakin' is available NOW via Sofaburn Records.
